2025 Shandong Second Medical University International Postgraduate Program

I. Admission Major and Number

Six postgraduate students are planned to study medical and related majors.

II. Duration of Study and Teaching Language

The study duration is 3 years.
Teaching language is Chinese and English.

III. Eligibility for Application

1. Have a medical or medical related bachelor degree, under 35 years old.
2. Hold foreign passports, non-Chinese citizens.
3. Good health, have no illegal and criminal records.
4. Excellent academic performances in the undergraduate stage and recommended by two professors or associate professors. HSK certificates (Level 4 or above) are required for medical majors.

IV. Graduation Requirements

Complete the prescribed courses, publish one paper in Chinese or English in official publications and pass the defense of thesis.

V. Application Method and Application Time

Apply through the Management System, or submit or send written application materials to School of International Education of SDSMU. Application materials should be submitted before the deadline and will not be returned.

Application deadline: August 20, 2025.

VI. Application Materials

1. Fill in SDSMU Admission Application Form for International Students.
2. Copies of "Foreigner Physical Examination Form" and "Mental Health Self-Assessment Scale Form" (the original will be kept by themselves for school checking). Applicants should strictly do physical check-up according to the items required in the form. It will be invalid if there are some required physical examination items that haven't been done, such as no applicant's photo, no connective seal on the photo, no signature and seal of physician and hospital. The result of the examination is valid for 6 months. Applicants should properly arrange the time of their physical examination by their own condition.
3. Highest diploma and academic degree certificates. Certificates rather than in Chinese or English must be accompanied by notarized translation versions in Chinese or English. New graduates must submit a pre-graduation certificate.
4. Study transcripts for undergraduate courses, other documents that demonstrate research ability and general quality, such as award certificates, published papers, etc.
5. Personal statement. Applicants must submit a personal statement around 2000 words including self-introduction, learning experience, study purpose, research plan and career goals in Chinese or English, among of which the research plan should be not less than 1000 words.
6. No criminal record certificate.
7. Chinese proficiency certificate (e.g., HSK-4 or above).
8. A copy of a valid ordinary passport.
9. Original letters of recommendation in Chinese or English from two professors or associate professors in their undergraduates (signature and contact details of the referees must be included).
10. Applicants who have work experience should provide a notarized proof of work or other relative materials.

VII. Fees and Scholarship

1. Tuition: ¥30,000/ academic year, applicants can apply for Shandong Provincial Government International Student Scholarship, Shandong Provincial Sister city scholarship and University-level scholarship.
2. Health Insurance: ¥800/year;
3. Accommodation: twin room, ¥5000/ academic year / person.
4. Medical examination fees, residence permit fees, etc. are charged according to regulations.

VIII. Admission and Notification

1. The school checks the applicant's materials and holds the exam for the qualified.
2. Applicants need bring the original application materials to the university for verification; if the accepted fails to the university for personal reasons, the fees paid will not be refunded.
3. The school will notify the accepted applicants and issue the Admission Letter and Confirmation Form for Study in China (JW202 form).

IX. Admission Time

September 2025 (Time is subject to Admission Letter).
