## **Brochure**

### **University Overview**

Shaoxing University is a general, full-time comprehensive higher education institution approved by the Ministry of Education. The University's history can be traced back to Shankuai Primary Normal School founded in 1909, where Mr. Lu Xun served as the supervisor (principal). In 2013, it was approved by the State Council Academic Degrees Committee as a master's degree granting institution. In December 2022, it was approved by the Zhejiang Provincial Academic Degrees Committee as a doctoral degree granting establishment.

The University is located in Shaoxing, a city with a rich cultural heritage. Shaoxing is located in the central-north part of Zhejiang Province, about 160 kilometers away from Shanghai. With more than 2500 years of history, Shaoxing is a UNESCO Habitat Award-winning city, an excellent tourist city in China, the most vibrant city in China's private economy, as well as a famous place of water, bridges, wine, calligraphy, and literati.

The University currently offers 59 undergraduate majors, covering nine disciplinary categories including economics, law, education, literature, science, engineering, medicine, management, and art. The University has 29 master's degree programs, including 10 primary discipline master's degree authorization points and 19 professional degree master's authorization points. It has 6 provincial first-class disciplines (category B) and 5 disciplines - engineering, chemistry, environmental science/ecology, computer science and materials science, entered the top 1% of ESI international disciplinary rankings. The university has over 19,000 full-time students, including 209 international students. There are more than 1,900 faculty members, including over 1,100 full-time teachers, of which more than 570 hold senior professional titles and over 60% hold doctoral degrees.

## Tips

### 1. Financial guarantee

To obtain admission qualification, international students applying for degree programs are required to provide financial guarantee documents to the university after the application is approved. The proof can be bank statements equivalent to no less than RMB 30,000 after conversion.

## **2. Violation handling**

Applicants are responsible for the authenticity of the application documents. Any fraudulent behavior will lead to the disqualification of application.

## **3. Payment and refund policy**

(1) Successful applicants are required to pay the fees of application and insurance. The fees are non-refundable.

(2) Upon registration, applicants are required to pay off the first academic year's tuition fee and accommodation fee (language students can pay by semester). Fees can be paid by bank transfer or bank card. After registration, if students wish to be transferred to another university or they are dropped out from Shaoxing University, the University will refund part of their tuition fee and/or accommodation fee according to the length of their study.

**4. Any matters not covered herein shall be executed in accordance with the relevant requirements of Chinese governments for international students.**
