

Scholarships

Outstanding students will be awarded scholarships, such as Chinese Government Scholarship, Nanjing Government Scholarship, or NUAU Fly-High Scholarship.

Application Methods

- Applicants for a Chinese Government Scholarship should directly contact the local Chinese embassy or consulate. When completing the scholarship application form, the applicant should select NUAU as their first choice.
- Applicants for Nanjing Government Scholarship or NUAU Fly-High Scholarship should choose the right Scholarship Type while applying online.
- The scholarship will be based on your background, experiences, academics, and examination/interview results at the time of your admission offer.

Scholarship Category	Tuition	Accommodation	Stipend	Duration	Note
Chinese Government Scholarship (CSC) Type A	100%	✓	2,500 CNY/Month	Four years	Must pass the annual review
Nanjing Government Scholarship				One-time payment of 10,000 CNY

International Undergraduate Admission Brochure 2025

南京航空航天大学
NANJING UNIVERSITY OF AERONAUTICS AND ASTRONAUTICS

Welcome to NUAA

Nanjing University of Aeronautics and Astronautics (NUAA) is a leading Chinese institution known for its excellence in engineering sciences, including Aeronautics, Astronautics, and Mechanical Engineering, as well as Economics and Management. NUAA is among the first national universities authorized to confer doctoral, master, and undergraduate degrees, with graduate schools and recognition under "National Project 211" and "Double First-Class" initiatives.

Undergraduate Program

NUAA is one of the first few universities in China offering English taught undergraduate programs in Engineering and Business majors since 2005. NUAA currently offers 5 international undergraduate programs instructed in both English and Chinese with duration of 4 years. Qualified graduates are awarded graduation diploma and bachelor degree.

Major List and Key Courses

Major	Key Courses	Degree Title
Aeronautical Engineering	Engineering Mechanics Aircraft Structural Design Flight Dynamics Aircraft Preliminary Design	Aircraft Design and Engineering
Artificial Intelligence	Algorithm Design and Analysis Data Structure Machine Learning Object-Oriented Programming Information Retrieval and Data Mining Operating Systems	Computer Science and Technology
Mechanical Engineering	Mechanical Principles Machine Design Measurement Techniques Mechanical Manufacturing Technology Mechanical Manufacturing Technology and Equipment An Introduction to CAD/CAM Principles of Microcomputer	Mechanical Engineering
Electrical & Electronic Engineering	Electronic Circuit Digital Circuit Control System Engineering Signals and Systems Analogue Electronics Electric Machinery Power Electronics Technology	Electrical Engineering and Automation
International Business	Principles of Management Micro-Economics Macro-Economics Principles of International Trade International Finance Econometrics	International Business

Application Eligibility

- | | |
|------------------------|-------------------------|
| 1 Non-Chinese citizens | 3 High school graduates |
| 2 18-25 years old | 4 Proficient in English |

How to apply

- Complete application online
Go to NUAA application portal and create an account at <https://nj.at0086.cn/StuApplication/Login.aspx>, follow the step-by-step instructions to complete online application.
- Pay an application fee of 400 RMB. This application fee is non-refundable.
- Check your application status regularly. (Most applications will be reviewed within 1-2 weeks. Any time there is an update to your admission status, you will receive an email notification directing you to the application portal.)
- Take examination/interview (An examination/interview is a required part of the application process. Emails regarding the examination/interview details will be sent after preliminary review.)
- Receive the admission letter and JW201/202 via email
- Apply for X visa at the Chinese Embassy or Consulate General

Application Documents

- Scanned copy of passport front page (and valid China visa page if you are already in China)
- Original or notarized copy of senior high school diploma. Applicants who will graduate in 2025 can provide pre-graduation certificate instead. The original or notarized diploma shall be submitted upon registration.
- Original or notarized copy of transcripts for all the courses in senior high school
- Two letters of recommendation from high school teachers, with signature and contact
- Personal statement (no more than 800 words), including personal introduction, reasons for application and individual advantages
- Non-Criminal letter
- Photocopy of Foreigner Physical Examination Form
- Language proficiency certificate
* Chinese-taught programs: HSK4 or above;
* English-taught program: IELTS (6.0 or above), TOEFL (70 or above) or equivalent English proficiency letter.
- Financial Guarantee Letter or bank statement

Note: Documents should be in English/Chinese or supplemented by notarized English/Chinese translations. We will use these electronic documents to evaluate your application. If admitted, you will be required to submit final documents while registration on campus.
